Year 3 Superhero's

Year 3 launched into action with a spectacular Superhero WOW Day! Dressed as their favourite superheroes, the children explored the origins of iconic heroes and then let their imaginations soar by designing their own. They carefully considered their heroes' missions, enemies, powers, symbols, and costumes before creating custom props and crafting their very own superhero masks. The day was packed with creativity, enthusiasm, and a brilliant sense of adventure as pupils stepped into their super-selves!

Next week's forecast is looking tasty! We're expecting some warm temperatures, so children are welcome to wear their PE kit to school for a cooler, more comfortable option.

Out of school awards and achievements

Congratulations Theo on receiving your Emerald Award in Archery. Keep it up!

The boys have been amazing too, showcasing their Football skills. Spencer received a 2nd place Medal in his U8's Tournament at Itter park. Wyatt and Ellis also won Medals in their Tournament at Spalding. Well done boys!

Don't forget to keep sending in awards and celebrations from outside of school. You never know, you might inspire someone else to join your hobby/interest!

Top 3 classes who have earned the most coins collectively on TTRS.

- 1st Place - Puffins - 56,924 coins
- 2nd Place - Swallows - 19,712 coins
- 3rd Place - Ravens - 14,191 coins

Please remember that TTRS is a homework requirement and encourage your child to log in and use Times Tables Rock Stars (TTRS) regularly. For our younger children we now use **NUMBOTS**. It's a fantastic tool that really helps develop fluency and confidence with number and multiplication facts. If you are having any trouble logging in, please speak to your child's class teacher for support.

Year 6

This week, Year 6 have been focusing on our rehearsals for our production - it is going very well so far! We have learnt our lines and are singing beautifully; we cannot wait to perform!

In addition, we have been completing some artwork related to our theme of 'Brilliant Britain'. We have learnt all about the Titanic and British monarchs. It has been really interesting and we are looking forward to learning more.

Father's Day Shop

Our Father's Day shop was a huge success with lots of our children struggling to choose, from the vast choice of gifts available. The PTA certainly outdid themselves this year. We hope you like your gifts!

We hope our dad's are excited to join their little one's on Monday 22nd and Tuesday 23rd for their Father's Day Breakfast.

Wishing all our dad's, granddads, uncle's and father figures a lovely Father's Day on Sunday!

Toys in school

To keep the focus on education (and prevent any lost treasures) we kindly ask that toys stay safe at home. This way, everyone can concentrate on catching new learning knowledge instead! Recently we are finding that they are getting lost, broken or damaged, which in turn is causing much upset amongst children.

Thanks for helping us maintain a focused learning environment where every student can shine!

If you have any questions, please speak to your child's class teacher in the first instance.
