- Tuesday 24th - New Reception 2027 Open Morning, 10 - 11am

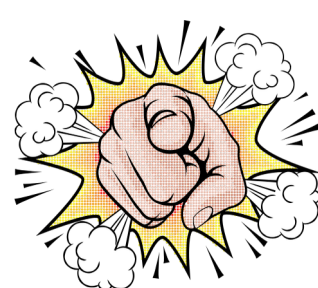

EYFS Puddlejump

Today saw our EYFS children take part in our Puddlejump Role Play experience. As part of our topic 'People around us that help', they immersed themselves as nurses, doctors, vets, builders, police officers, hairdressers, shop assistants and more.

Their imaginations and creativeness was so lovely to see, as was how they interacted with one another. I'm sure they will be excited to share their days fun with their families.

Our PTA Need YOU!

We have spaces on our PTA and would love for more of our friends of St Michael's to become involved in helping to raise awareness and support for the development and growth of the children here at St Michael's Church School.

We meet every couple of months and try to think of fundraising ideas along with working side by side with the school hosting events. It's voluntary work, and if you feel like you could offer some time, then we would be very grateful.

If you would like to join us then please just give your details to the school's office team who in turn will pass these to me. Many thanks!!

Toni Harper, Chair of PTA

Birthday Treats

We know how much your little ones love to celebrate their birthday with their friends. Can we please ask that sweets, are **NOT** brought in to share. Instead we suggest a donation of a book or game. This can then be kept in class and shared with their friends.

Whilst sweets, gifts or foods are a lovely sentiment they can cause upset to children with allergies and can put undue pressure on parents.

Please note that you do not need to bring anything at all, unless you wish to do so.

Out of school awards and achievements

Well done to Igor this week, for winning this amazing medal in a Tennis Tournament - we are so proud of you!

Well done Bea for your recent swimming awards- amazing stuff!

Don't forget to keep sending in awards and celebrations from outside of school. You never know, you might inspire someone else to join your hobby/interest!

TTR Rockstars!!

Top 3 classes who have earned the most coins collectively on TTRS.

- 1st Place - Ravens - 31,250 coins
- 2nd Place - Owls - 24,284 coins
- 3rd Place - Kestrels - 21,247 coins

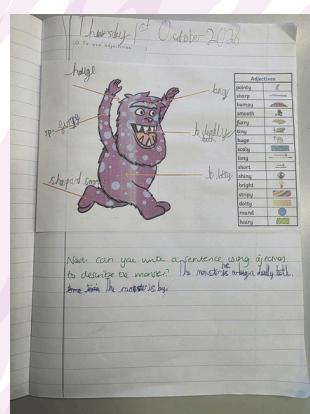

Please remember that TTRS is a homework requirement and encourage your child to log in and use Times Tables Rock Stars (TTRS) regularly. For our younger children we now use **NUMBOTS**. It's a fantastic tool that really helps develop fluency and confidence with number and multiplication facts. If you are having any trouble logging in, please speak to your child's class teacher for support.

Year 2's Week

It has been another busy and exciting week in Year 2, with lots of fantastic learning taking place across the curriculum!

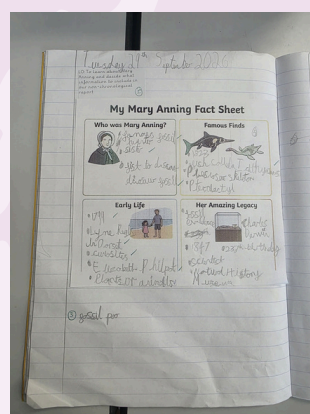

English

This week, we have been exploring nouns and adjectives. The children have been learning to identify nouns and understand how adjectives can be used to describe them in more detail. They enjoyed finding nouns in sentences and choosing interesting adjectives to make their writing more exciting and engaging.

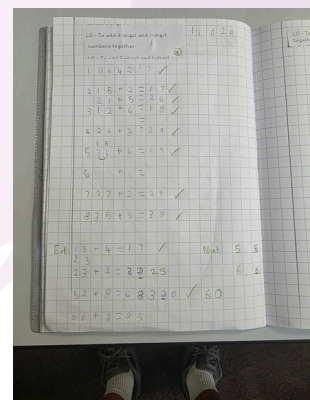

Maths

We have started our new Addition and Subtraction unit. The children have been developing their understanding of number bonds to 20 and using these to create fact families. Today, we began adding single-digit numbers to two-digit numbers mentally, using our knowledge of number bonds and place value to solve calculations efficiently.

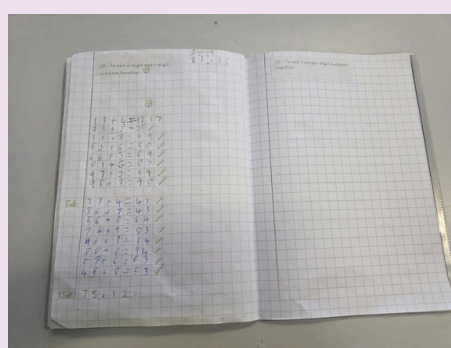

Science

In Science, we explored food chains and how living things depend on one another in different habitats. The children learned about producers, consumers, and predators, and enjoyed discussing how energy moves through a food chain.

We have been incredibly impressed with the children's enthusiasm and participation this week. They have worked hard, asked thoughtful questions, and shown great determination in their learning. Keep up the fantastic effort, Badgers

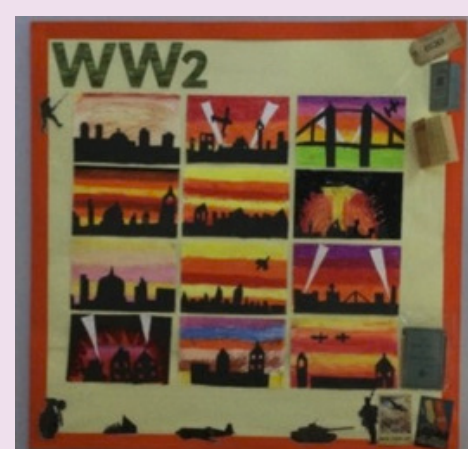

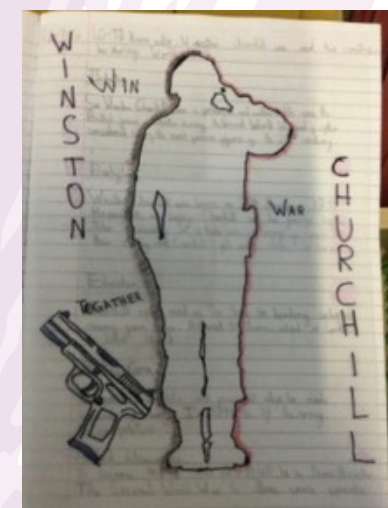

Netball News

What a first game of the season! The team played outstanding netball and so deserved their 20-1 victory. Credit to the Heritage Park team who fought until the end. The team are eagerly excited about their next match!

Year 5 are alive

Year 5 children have written some fabulous fact files about Winston Churchill! Using tracing paper, they carefully designed and created eye-catching front covers to accompany their work. They all look amazing, and we are so proud of the effort, creativity, and presentation shown throughout the project.

Just look at the fabulous artwork they have created using oil pastels. Their creativity, attention to detail, and artistic skills have truly shone through in every piece. Absolutely awesome work, Year 5! We are so proud of your effort and enthusiasm. Keep up the fantastic work!

Our Services

Reviews

"Alex was brilliant from first contact right through and including our first session, he organised a local venue for us and was in contact all the way through, even making sure we ok to go ahead at the last minute during a heatwave. The session was based on finishing at our request which my son that plays at a high level was struggling with, not only the striking of the ball and technicalities but also his confidence and decision making. Alex has already identified areas in our first session that we need to address to move forward, his communication skills were excellent and really hit home with my son (14), he was absolutely buzzing on the way home and he says that next season can't come quick enough...!! Will definitely be booking more sessions. Well done Alex !!"

"Brilliant coach who is encouraging, positive and great with kids. My son always looks forward to training and has grown in confidence after only two sessions"

1 2 1 Coaching

Accelerate your progress with bespoke 1 2 1 football coaching tailored to master technique, boost confidence, and unlock your ultimate potential

2 2 1 Coaching

Train alongside a teammate with high intensity duo sessions designed to sharpen competitive edge, passing chemistry, and match scenario decision making.

Small Groups (3-4 People)

Elevate your game in small groups of three to four with dynamic, game realistic drills that build high tempo synergy and tactical awareness.

Strength and Conditioning

Supercharge your athleticism with elite strength and conditioning, building the explosive power, speed, and endurance to outlast every opponent.

Football Camps

I level up your skills during the holidays with high energy football camps featuring expert coaching, competitive matches, and non-stop fun.
