A day in the life of our new Reception children

This week marks a truly special milestone as our EYFS children begin their exciting journey into school life. With wide eyes and eager smiles, they've stepped into the classroom ready to explore, learn, and grow. It's been heartwarming to see their curiosity bloom as they settle into new routines, make new friends, and begin to discover the joy of learning through play. Each child brings their own spark, and together they're already creating a vibrant and joyful community. We're so proud of how bravely they've embraced this new chapter, and we look forward to supporting them every step of the way. As we like to say in EYFS, "Learning is like magic—you don't always see it happening, but suddenly you know something new!"

Toys

We have seen an increase in the number of toys being brought into school. Please can we ask that children not bring their precious teddies and toys in to school as we would hate for them to get lost or damaged.
Thank you.

Sickness

If your child unfortunately becomes poorly with Sickness or Diarrhoea, can we please request that they are kept at home for 48 hours after the last bout of illness. This helps us to stop the spread of any illnesses throughout the school.

Polite Parking Reminder

To help keep all of our children safe, we would like to kindly remind parents and carers that children should not be dropped off outside the school gates or brought into the school site by car if you are running late. We also ask that parents do not park in the residents' parking bays opposite the school.

A small number of families have agreed arrangements for driving onto the school site due to specific circumstances. These arrangements have been made directly with the school.

When parking, please be considerate of our neighbours and other road users. We encourage families to make use of the Morrisons car park, which is only a short walk from school.

Thank you for your support and cooperation in helping us maintain a safe and respectful school environment for everyone.

Out of school awards and achievements

Congratulations Ayia on winning all those lovely gymnastics medals. and Finley on that impressive football trophy. Don't forget to keep sending in awards and celebrations from outside of school. You never know, you might inspire someone else to join your hobby/interest!

TTR Rockstars!!

Top 3 classes who have earned the most coins collectively on TTRS.

- 1st Place - Foxes - 30,274 coins
- 2nd Place - Ravens - 25,594 coins
- 3rd Place - Badgers - 18,567 coins

Please remember that TTRS is a homework requirement and encourage your child to log in and use Times Tables Rock Stars (TTRS) regularly. For our younger children we now use **NUMBOTS**. It's a fantastic tool that really helps develop fluency and confidence with number and multiplication facts. If you are having any trouble logging in, please speak to your child's class teacher for support.

Polite Request

We appreciate that it is lovely to catch up with other parents for a chat but please can we ask that, at the end of the school day, parents exit the school grounds as soon as they have collected their child/ren.

Please can we ask that you do not allow your child/ren to play on the Trim Trail and Gym equipment outside of the school day.
Thank you .

SEND Survey's

We would be grateful if you would take the time to complete these SEND survey's that have been sent to us by Peterborough City Council:

Have your say:

Year 3's week

It has been a very busy first few weeks. We have been really impressed at how everyone has settled into life in Key Stage 2.

Through this term, we are learning about the Stone Age and how people lived all those years ago. Children this week have been learning about Skara Brae and why it is an important place in history.

In Art, children have had lots of opportunities to show their artistic skills. We have created beautiful stone paintings, used salt dough to make the pieces for stone age necklaces and also used pastels to create our own Stone Age art.

In our Art lesson this week, we tried to think about how we could show nowadays animals to people in the future and we produced some amazing sketches.

Finally, in Maths we have been learning to read and write 3-digit numbers and we have been so impressed with the children's learning.

Noise Tuition
WE TEACH, WE INSPIRE

Music lessons, at your child's school

Taught by specialist tutors, during the school day. From very first notes to graded exams and GCSE music, with no extra journeys and no evening taxi runs.

Sign up in minutes

Ofsted 2025

"The school provides pupils with a broad and often ambitious curriculum."

"Pupils have many opportunities to broaden their interests."

"The school has thought about the important knowledge that pupils need to know and the order in which they should learn it."
