ST. MICHAEL'S CHURCH SCHOOL
DEBT RECOVERY POLICY

Introduction

Any money owed to school has an impact on the budget and may affect the Resources we can provide to all children. We hope that parents understand this and will make every effort to avoid owing the school money.

The school will take all reasonable measures to vigorously collect debts as part of its management of public funds. A debt will be written off only after all reasonable measures (commensurate with the size and nature of the debt) have been taken to recover it.

The school's debt recovery policy will observe the relevant financial regulations and guidance set out in the Scheme for Financing Schools and any other legal requirements.

Acceptable 'credit period'

The Full Governing Body has determined that one half term is an acceptable 'credit settlement period' before the debt recovery procedures are applied.

Reporting of outstanding debt levels

The Headteacher will ensure that the level of outstanding debt is regularly monitored. Suitable records will be maintained to detail individual debts and the total value of debt to the school in order that it can be determined at any time and reported to the Finance Committee.

The Finance Committee will review the level of outstanding debts every term to determine whether this level is acceptable and whether action to recover debts is effective.

Debt Recovery Procedures

Where payment from the parent/guardian has not been received within the agreed time scale, the following process should be applied:

Initial 'overdue payment' reminder

An initial reminder may be informal and can be made either in person (when a parent/guardian comes to collect/drop off the child), or by telephone. In general, the Office Administrator will notify the parent/guardian after having built up a good relationship with the parents. The date of the initial reminder should be recorded.

First 'overdue payment' reminder letter

A formal reminder letter is issued 2 weeks after the informal reminder. If action is to proceed further, it is necessary to prove that all reasonable attempts have been made to recover the debt, and that these attempts have been made in a timely manner, i.e. at the time that the debt first became overdue.

The date of the initial reminder letter should be recorded. In the case of school meals, if the debt is not settled on the following school day then we will be unable to provide your child with a school dinner and you must provide a packed lunch for your child. If a child comes to school without clearing the debt and orders a school lunch, the School Office will telephone the parents to return to school with a packed lunch. If the debt is

related to The Beehive, the place will be temporarily withdrawn until the debt has been cleared. Failure to pay could result in the place being offered to someone else.

Second 'overdue payment' reminder letter

A second reminder letter will be issued 2 weeks after the First Reminder Letter. The date of the second reminder letter should be recorded.

Failure to respond to reminders / settle a debt

If there is no response to the second 'overdue payment' reminder letter the debtor will be invited to meet the Headteacher to discuss how the debt will be settled. We will make every effort to work with parents to recover the debt. The debtor may be advised that they will be required to pay in advance for all future supplies or the supply will no longer be available to them. This actions will be recorded and reported to the Finance Committee.

Negotiation of repayment terms

Debtors are expected to settle the amount owed by a single payment as soon as possible after receiving the first 'overdue payment' reminder. If a debtor requests for 'repayment terms' these may be negotiated at the discretion of the Finance Committee.

If people are unable to pay

The School may reduce or cancel a debt in certain circumstances. A sensitive approach to debt recovery will be carried out, taking the following factors into account:

Hardship — where paying the debt would cause financial hardship.

Ill health — where our recovery action might cause further ill health.

Time — where the debt is so large compared to the person's income that it would take an unreasonable length of time to pay it all off.

Cost — where the value of the debt is less than the cost of recovering it.

Multiple debt — where someone owes more than one debt to the School. In this situation an attempt to agree one repayment plan to include all debts will be established.

In all cases, a letter will be issued to the debtor confirming the agreed terms for repayment. The settlement period should be the shortest that is judged reasonable.

Costs of debt recovery

If payment is still not provided the Finance Committee will meet to decide next steps, including taking the case to the small claims court. In this instance we would seek to reclaim all costs involved.
