

*Rainbow
Prayers*

As you say your rainbow prayer, colour by colour, paint, draw or create your stripe whilst praying and thinking about the following things:

Red

The colour of Jesus' blood when he died.

The colour of Jesus' love for us.

Pray for Jesus.

Orange

*The colour of
happiness.*

*Pray for something
or someone or
something that
makes you happy.*

Yellow

The colour of light.

*The colour of the
sun.*

*Pray for the things
that make you
shine.*

Green

*The colour of
Earth.*

*Pray to say thank
you for our
wonderful world,
the land, the
flowers, the trees.*

Blue

The colour of
water.

The colour of day.

Pray for the world
to have water and
praise for each new
day.

Indigo

The colour for
sorry and
repentance.

Pray for something
you have done
wrong and ask for
forgiveness.

Violet

The colour of calmness and creativity.

Take time to reflect on your prayer. Take a moment to think of what a rainbow is for.

Be creative when you make your rainbow.

Remember a rainbow has been the symbol for the Coronavirus to support the keyworkers.

It would be amazing to see your rainbow creation prayers.

It does not have to be a painting. I made mine with coloured glass stones.

Examples of rainbow crafts.

Remember to focus each part of your prayer by the colour band you are making.

If you would like to share your 'Rainbow Prayer' with me, please take a photograph and write down one part of your prayer, then send it to this email address:

The best examples will be celebrated in Friday's Collective Worship.
