

Dear Parents and Carers,

Update on Educational Trips and Residential Visits

Following valuable feedback from parents, pupils, and staff, we have reviewed our current approach to educational trips and residential visits. We are grateful for the time many of you took to share your thoughts, which have helped shape our future plans.

One key theme that emerged was the limited uptake of our current residential offerings. In response, we have made the decision to prioritise high-quality educational trips and visits for each year group, ensuring that all pupils benefit from enriching, curriculum-linked experiences throughout the school year.

What's changing:

- During the 2025–2026 academic year, the **Bushcraft residential for Year 5** and the **Caythorpe residential for Year 6** will go ahead as planned.
- From **September 2026**, we will offer **one residential trip only**, taking place in the summer term of Year 6. Our aim is for the entire year group to attend, making it a memorable and inclusive experience for all.
- We are currently in the process of negotiating a price for this new Year 6 residential, and we will share further details with you as soon as they are confirmed.

We believe this new approach will allow us to focus on providing meaningful, accessible, and well-organised experiences for all pupils, while also supporting families with clearer planning and reduced financial pressure.

Thank you for your continued support. If you have any questions or would like to discuss this further, please do not hesitate to contact the school office.

Yours sincerely,

Miss A Rawding and Miss A Stanesby

Assistant Headteacher and Educational Visits Co-ordinator
