Important Notice: School Site Safety

Dear Parents and Carers,

We kindly ask that you do not drive onto the school site unless you have prior authorisation.

This is due to increasing safety concerns, including incidents of tailgating through the gates, which pose a serious risk to our students and staff.

For your convenience, Morrisons car park is available for school parking and we strongly encourage you to use this option.

Additionally, please note that E-Scooters are not permitted on school grounds under any circumstances.

Thank you for your cooperation in helping us maintain a safe and secure environment for everyone.

Kind regards,

Mr Harrison and Mrs Daulton

'Be the best that we can be'
