Important Staff Update

Dear Parents and Carers,
I hope this letter finds you well.

As we approach the end of the autumn term, I would like to share some important staffing updates that will come into effect from the beginning of January 2026, specifically concerning Foxes Class and our Dragonfly Provision.

We are delighted with the progress being made across all year groups, and particularly proud of the success of our relocated and revamped Dragonfly Provision. This inclusive setting continues to ensure that all children, irrespective of need, interact meaningfully with their peers and receive the highest quality education possible. To further strengthen this provision, we have made the decision to utilise the specialist skills of Miss Duffield, who will be moving from Foxes Class to lead the Dragonfly Provision. Her expertise and dedication will ensure that children accessing this support continue to engage with their relevant topics and curriculum within their respective classrooms.

Naturally, we have worked hard to ensure this transition causes minimal disruption to the children and their learning.

We are pleased to announce the appointment of Miss Gibson, who will be joining us in January as the new Foxes Class teacher. Miss Gibson brings with her a wealth of exciting curriculum ideas and a particular passion for Art, which we know the children will thoroughly enjoy. To support a smooth transition, Miss Gibson will be spending time with the class before the end of this term to build relationships and familiarity.

We remain committed to ensuring that all pupils are taught and supported by the highest qualified staff, and we are confident that these changes will continue to enhance the learning experience for all.

Thank you for your continued support.

Warm regards,

Mr Harrison
Executive Headteacher

'Be the best that we can be'
