Proposed Bike ride 15th July 2026

Dear Parents and Carers,

We are excited to propose a Year 5 bike trip to Ferry Meadows on Wednesday 15th July. This would be a wonderful end-of-year experience and a chance for pupils to make the most of the cycling skills they have developed through ****Bikeability****.

The children will leave school at 9:00am, cycling approximately 6 miles to Ferry Meadows, enjoying time there for lunch and an ice cream treat, before cycling back in time for the end of the school day.

To take part, each child will need:

- A roadworthy bike in good condition **and a helmet** - if your child does not have one, please could you help them borrow one from a friend, neighbour or family member. Unfortunately, children without a bike or helmet will not be able to attend. We will plan a fun day in school for them instead!
- A packed lunch
- A refillable water bottle
- Optional: money for an ice cream from the café

This trip offers so many benefits. Cycling supports physical fitness, boosts mental wellbeing, builds confidence and encourages children to enjoy being active outdoors. It is also a fantastic opportunity for pupils to apply their Bikeability learning in a real-world setting and celebrate the end of the school year with a memorable shared experience.

For the trip to go ahead, we require at least 40 children to give consent. Please let us know as soon as possible whether your child would like to take part. [Bike Ride to Ferry Meadows July 2026 – Fill in form](#)

Thank you for your continued support. We hope this will be a brilliant adventure for the children and a positive way to finish the year.

Kind regards,

Mrs Wenden
